## THE ESCAPE

### Perfect harmony

With no shortage of superlative hostleries, it takes a lot to woo and wow the Marrakech faithful. And that's exactly what its latest resort, **PALAIS NAMASKAR**, has done. An ambitious project designed by Philippe Starck protégé Imaad Rahmouni, it features 41 suites and villas surrounded by scented and manicured Balinese-inspired gardens, landscaped waterfalls, reflecting pools and lakes as well as a spa, a pair of restaurants and a rooftop bar with panoramic views of the Atlas Mountains.
